La lettura si può definire come “l’atto di decifrare i segni grafici al fine di stabilirne il messaggio”. In altre parole, la lettura consiste nel ritornare alla lingua parlata attraverso i suoi simboli. Ciascun testo scritto rappresenta una possibile espressione parlata, ma solo quelle persone che avranno una certa padronanza della lingua parlata saranno in grado di desumere il modo in cui sia possibile esprimere a voce un dato testo scritto. La lingua parlata è quindi il primo passo necessario per acquisire la capacità di leggere una lingua capendone il significato. Le lezioni di lettura fornite nel presente libretto forniscono un secondo passo: quello di associare all’alfabeto inglese particolari suoni e variazioni degli stessi.

*Inglese II* contiene ventuno lezioni di lettura. Esse sono presentate alla fine di ciascuna lezione e alla fine del corso. Le lezioni di lettura si potranno seguire in qualsiasi momento lo si desideri, o dopo aver completato diverse lezioni di lingua parlata, oppure rimandando la lettura fino alla conclusione
dell’intero ciclo di lezioni parlate. Notare tuttavia che le lezioni di lettura comprendono vocaboli ed espressioni tratti da tutte e trenta le lezioni del corso di lingua parlata, oltre che a parole nuove. È quindi probabile che si ottengano risultati più soddisfacenti seguendo le lezioni di lettura alla conclusione delle trenta lezioni parlate. La componente audio delle letture contiene istruzioni complete su come seguire le lezioni.

Nel seguire le lezioni, tenere a mente che l’inglese è una lingua con molte irregolarità e numerose eccezioni, e che le norme descritte in queste lezioni riflettono tendenze generali piuttosto che regole fisse. Con l’espandersi del proprio vocabolario, si scoprirà tuttavia che tali eccezioni creano sempre meno difficoltà. Si inizierà a riconoscere le parole e a recepirle “globalmente”, ed in tal modo si eliminerà la necessità di ripeterle a voce o di decifrarle sillaba per sillaba. Le lezioni si potranno seguire alla velocità più consona alle esigenze dell’allievo, con un numero di ripetizioni sufficiente a dare la
sicurezza necessaria per procedere poi alla lezione successiva. È possibile che la lettura dell’inglese richieda inizialmente parecchio esercizio. Ma con un piccolo sforzo la velocità di apprendimento della lettura sarà sorprendente.
Unità Dieci

1. We ate at the hotel.
2. Her name is Nancy.
